## Retreat Speaker

Jan Silvius has been reaching out to women for over 20 years, helping them to think biblically, reason clearly, live fully, and embrace an intelligent attitude toward life.

As a featured speaker at Women of Faith arena events and Pre-Conferences, Jan has encouraged audiences across the country and across every denomination, challenging them to grow into the women God has called them to be. She has been a plenary speaker for Precept Ministries' National Women's Convention, Moody's Women's Conferences, Moody's Founder's Week, and Balancing the Demands of Life Women's Conferences.

In addition to her work with churches and women's organizations in the United States, Jan's speaking ministry has taken her to Canada, Europe, and Central America.

Of the ten books Jan has authored, two of her favorites have been reader favorites as well: *Big Girls Don't Whine and Fool Proofing Your Life*. The ongoing reader response to these titles has spurred Jan to immerse herself in seeking out biblically sound, psychologically positive answers for women's challenges.

Jan's ministry truly is 'encouraging women to embrace wisdom-an intelligent attitude toward life.'

*"But seek first His kingdom and His righteousness, and all these things will be given to you as well."  
Matthew 6:33 NIV*
